

# CHRISTMAS APPEAL 2016

Compass Children's Charity – 1073903

HAPPY CHRISTMAS AND A PEACEFUL NEW YEAR

## Will you invite a homeless child for dinner this Christmas?

Thank you very much for all your support and donations this year.

Your generosity has enabled vulnerable children to leave the streets and to find shelter, warmth and unconditional love – whilst we're not a traditional family, it is a one that is treasured and valued by our children and one that you are very much a part of.

**The lead up to Christmas has always been our busiest time of the year and this year is no exception...** With our doors open 365 days a year, *your* help is vital to help at-risk children find a home this Christmas, receive shelter, warmth and understand the beauty of being part of a family.

They have the opportunity to be with other children, play games, receive a small present, eat a special meal and receive perhaps the greatest gift of all, the motivation to leave the streets for good.

### Will you help us to invite a homeless child for dinner this Christmas?

Please turn this letter over to see a placemat drawn by the children from the Casa Alianza projects who are safe and part of the family you helped create. **We would love you to set this placemat on your table at Christmas and remember each child you have helped to leave the streets.** Whilst these children can't physically join you, we hope their placemat will enable them to join you in spirit.

We would like to give even more children hope for a family this Christmas so we are asking you this year if you could make a donation to give one more homeless child a chance to have a family and home this Christmas.

**Any donation – big or small – will make a true difference to a child this Christmas – please donate what you can afford**

**We wish a very Happy Christmas and a peaceful 2017.**

Thank you - Sue, Poonam, Tamar and Raquel (Staff & Trustees – Compass Children's Charity)

Thank you for your unconditional love and support to help us have a home.  
We couldn't do it without you.

Happy

Christmas
